## GU'AN FACTORY

Cut and fold

Painting

Welding

Assembly

Heat exchangers

Laboratory

Factory in Gu' an: 75,000 m<sup>2</sup>

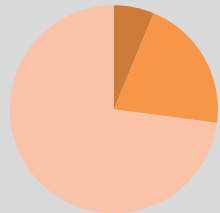

## RESEARCH AND DEVELOPMENT

### Laboratory and Equipment

Performance lab;  
Air-conditioned room;  
Testing chamber.

### International R&D Team

- PHD 3
- Master 10
- Graduates 35

R&D Team: 48 people

### R&D Tools

- Product Lifecycle Management System
- 3D SOLIDWORKS Project
- Performance Simulation
- CFD Simulation

## INTERNATIONAL CERTIFICATIONS

Quality: ISO9001

Occupational Health and Safety: OHSAS18001

Laboratory: ANSI / AHRI 1360

Environment: ISO14001

Medical: ISO13485

Our factory is audited annually by: GE, Siemens, Philips, Vodafone and Delta Group.

## AIRSYS PRODUCTS

- Products developed for high energy efficiency
- Complete line of air conditioning solutions
- Products with low OPEX and high EER
- Products for use on a 24x365 basis

## DATA CENTER SOLUTIONS

Air Cooled Chiller

Water Cooled Chiller

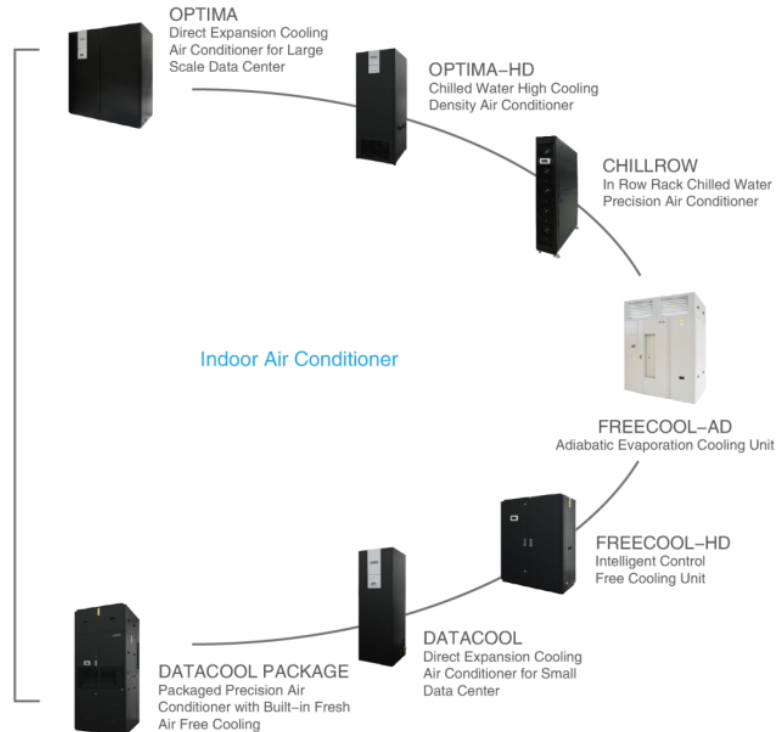

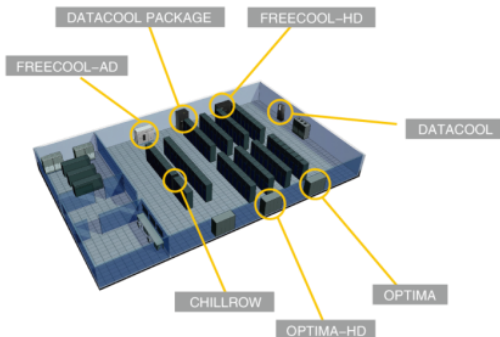

Ice Storage Bank

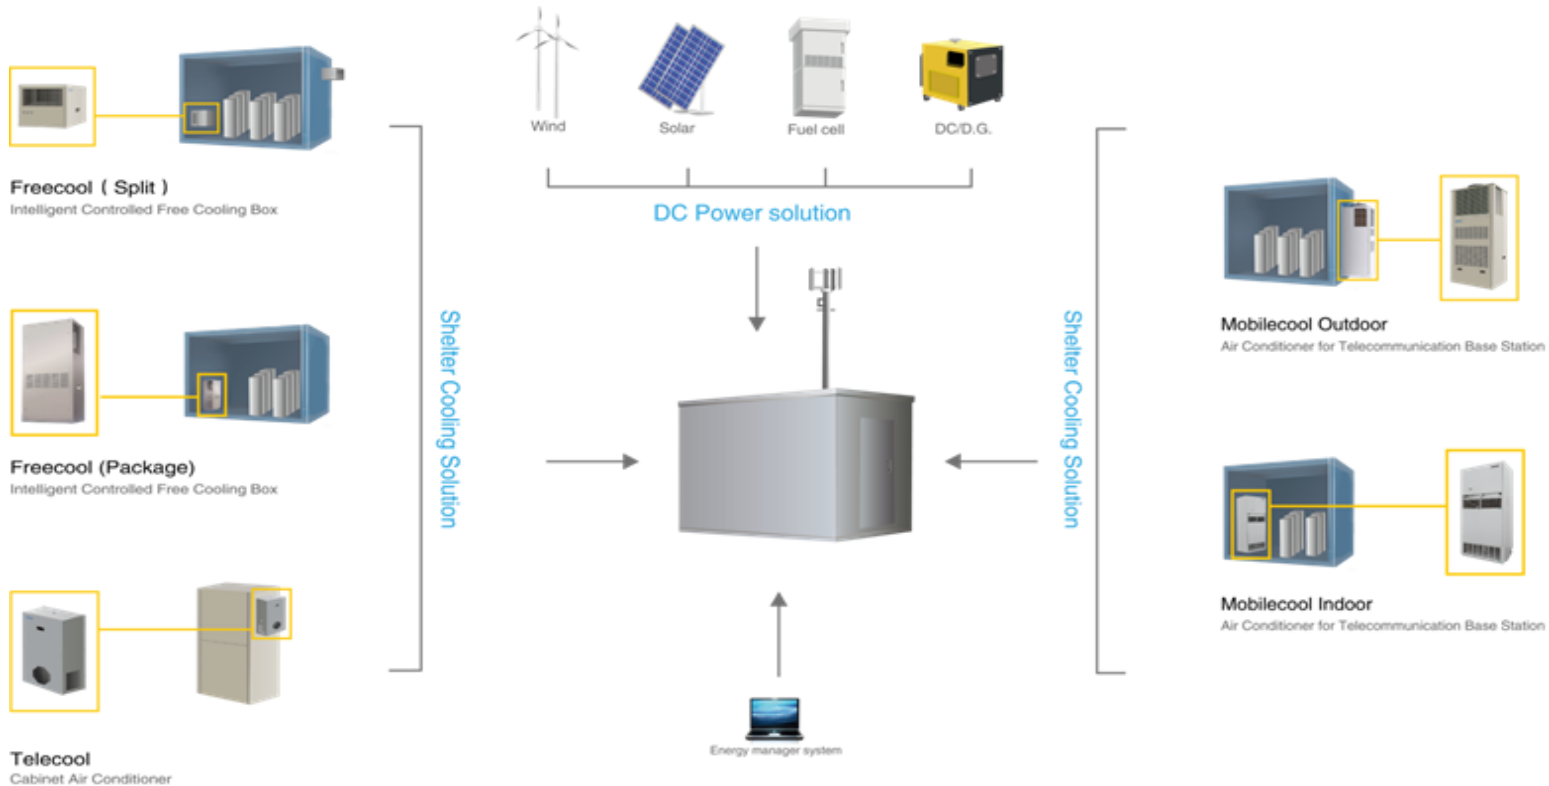

Dry Cooler for Free Cooling

Central Cooling Equipment

## TELECOMMUNICATIONS SOLUTIONS

## Fully integration, High energy saving, Standard production

Product and System Integration: Cooling + HEX + Cabinet + Control
